

KODIAK CHRISTIAN SCHOOL

KCS Board of Directors is looking forward to better communication, growing and thriving in 2016-17!

We would like to introduce you to our 2016-2017 Board of Directors. It is important to know who they are and how they are working for you.

The KCS mission is "to provide the local Christian community, by partnering with parents, a Christ-centered educational program of challenging academics and character development which cultivates the God-given potential of all students to be transforming influences in their world".

In light of this goal and our need for growth, we would like to create three KCS Committees:

Fundraisers

Public Relations/Marketing

Grants and other Funding

The committees will look at the feasibility, successes and areas needing improvement. The committees will bring the Board of Directors ideas, financial information, insight and most of all, *actions* to be taken. This work is exciting and so important for our school to maintain its low tuition and increase our student body.

Each committee will need a Chairperson and a few members. At least one Board member will sit on each committee as well.

If you would like to participate in making our school more effective, grow and thrive, please contact us by December 16, 2016.
