Eydis Whiddon 2nd
Samantha Coulter 3rd
-

A note from Mr. Steffensen: Happy Easter! HE IS RISEN! HE IS RISEN INDEED!

Enjoy the Easter weekend and have a blessed time with your family and friends. It seems impossible that we are at the midterm of our last trimester! Plans are already being made for a wonderful end to our school year. Plans are also being made for a fantastic return in the fall!

Mr. Prantner visited KCS during Wednesday's Chapel time. He helped us all to better see what the Last Supper might have looked like. Thank you to Mr. and Mrs. Bradbury for leading us in our Chapel music. God is good! All the time!

Just to keep you thinking? "In Michael Angelo's picture of the "Last Supper" how many people were at the table?" Tell Mr. Steffensen the correct answer and earn a prize.

A note from Mrs. Barnes: No news to report at this time.

A note from Mrs. Boudreau: No news to report at this time.

A note from Mrs. Prantner: We are still off on an adventure around the USA and have been visiting different points of interest. We are hoping to collect at least 33 state post-cards. *Could you please help us get postcards from your family and friends?* Please address and send cards to:

Kodiak Christian School
First and Second Grade Class
3300 East Rezanof Drive
Kodiak, Alaska 99615

We will be awaiting the arrival of your postcard and the chance to learn even more about our fifty nifty states.

A note from Mrs. Winegeart: Next Wednesday our class will be presenting in chapel. Please make sure to go over this during the weekend so that we can be ready. Mission 2: Next Tuesday we will have our flea market for our mini-society. We will have a follow-up market on Friday as well.

A note from Mrs. Smith: Today the students enjoyed a READ-IN as a class reward for earning another section of the United States on our map. Reading is fun! Thank you, Sara, for sharing your primary source pictures of Auschwitz taken on your family trip in Europe. It helped us learn even more about the Holocaust of WWII. Enjoy the longer weekend in celebration of our risen Savior! He Lives!

A note from Mr. Thomas: Wow, where does the time go? Today marks mid-term and students should have their reports with them when they get home. Enjoy the extra weekend days.

SlowCooker

Social

&

Dessert

Auction

Got a favorite **slow cooker** recipe?

Do people love a special **dessert** you make?

Want to try out your new Instapot?

Join us for this exciting night of

SUBJECT: HEALTH INFORMATION

Dear Parents,

I would like to alert you to the problem of head lice spreading in some of the public schools. **WE NEED YOUR COOPERATION TO PREVENT LICE FROM SPREADING.** Head lice can happen to anyone. It is not a sign of having poor health habits or being dirty. The most important fact to remember is that the problem should be quickly treated to stop the spread.

WHAT TO LOOK FOR:

1. Persistent scratching the head or back of the neck.
2. Lice are grayish brown in color and may be seen. Also, look for whitish eggs (nits), which can be mistaken for dandruff. Dandruff is removed easily from the hair or scalp. Nits are glued to the hair shaft and are hard to remove.

WHAT TO DO:

If you think you have a problem in your family, you can check with your doctor for treatment. There are also medicated shampoos available with a prescription at the drug store.

In addition to shampooing, all combs, brushes, clothing and bedding should be disinfected. Laundering, then a hot dryer is helpful. Head lice can spread if preventive measures are not taken. You can help by regularly inspecting your child's hair. **HAIR MUST BE FREE OF NITS BEFORE A CHILD MAY RETURN TO SCHOOL.**

If you have any questions, please call the office at 486-4905 or check with your family doctor.

Thank you for your cooperation.
