Tide pool Fun!

Dear KCS family,

The KCS board is excited to announce that, after much prayer and deliberation, we have offered the position of KCS principal to Mrs. Katherine Baquero, and she has accepted. Mrs. Baquero comes to us from Indian Rocks Christian School in Largo, FL. She holds a bachelor's degree in Education from Florida State University and is in the process of completing a master's degree through Liberty University. The board is more than happy to answer any questions you may have; please feel free to chat with one of us or email the board at kcsbod@gmail.com. Mrs. Baquero has a strong background with Christian education, and we look forward to seeing how God will use her at KCS. Please join us in welcoming Mrs. Baquero to KCS in the fall!

KCS Board of Directors

Notes from the Office: Please remember that all accounts are due in full May 1st. Please call the office if you have any questions.

Service Hours: *Reminder that we only have 4 weeks of school left before summer is here so please remember to get those service hours completed. Not sure what to do? Contact your teacher or the office to see how you can help. Thank you!*

Field Trips: Tis the Season for Field Trips! If you will be driving for any field trips, please make sure the office has a copy of your drivers license and current proof of insurance. Thank you!

Thank you everyone who helped make the Slow Cooker Social and Dessert Auction a memorable evening!

We thank Sarah Rohrer, Ami Murray, Abby Janz, Bonnie Stobinski, Aly Strong, Jill Rohrer for setting up.

We thank Aly Strong, Bonnie Stobinski, Dea Burlew and Claudia Otis for keeping the buffet table in order throughout the event.

We thank all the folk in addition to the ones named so far for staying to clean up.

We thank Beth Koehler, Juanzetta Swetzof, Hannah Mullins, Jill Rohrer, Roxanne Larson, Sheila Wallace, Cathy Foy, Bonnie Stobinski, Mechelle Bradbury, Kathryn Hollis-Buchanan, Yvonne Boudreau, Melanie Winegeart, and Carol Steffensen for providing us with amazing crock pot dinners.

We thank David Prantner, Heather Overbeek, Corrie Hernandez, Janella Kamai, Hannah Mullins, Jill Rohrer, Jordana Long, Sheila Wallace, Linda Avery-Eaton, Jason Foxworthy, Joan Burnett, Abby Janz, Mary Rohrer, Wanda Jentry, David Bradbury, and Hailee Wallace for providing us with a grand array of desserts to auction.

We thank those who attended and for their generosity. \$4,381 was raised for our school!

We thank the Lord Jesus who continually blesses us in more ways than we can number!

A note from Mr. Steffensen: Thank you to all that participated in the Soup Supper and Dessert Auction last Saturday night! It was a great evening, **\$4,381.00 was raised!** Thank you to Mr. and Mrs. Bradbury for blessing all of us with a message and music during Wednesday's Chapel time. We need to be serving God with wholesome conversation! Next week is Teacher Appreciation Week. God is good! All the time!

Just to keep you thinking? "Who was David's best friend before he was made king?" Tell Mr. Steffensen the correct answer and earn a prize.

A note from Mrs. Barnes: Have a good weekend.

A note from Mrs. Boudreau: The children and I are sprouting seeds. However, we *need your help finding hard, round, trawler buoys* that can be used for a planter project. If you have any cluttering the yard or have access to any, please remember our class!

We had great trips to the Touch Tank and to Abercrombie beaches this week. A big thank you to volunteers who made the trips special. Dr. Foy added to our touch tank experience by showing the children crab large and small, the octopus, a salmon shark, salmon shark embryo and how scientists do research.

A note from Mrs. Prantner: Twenty postcards and counting. Thank you for asking friends to send them our way. How many more will we receive by the end of the year? Our class enjoyed being able to learn more about the local tide pools through many hands on learning activities. Thank you to everyone who made the trips possible. Ask your child what kind of critters they spotted. Our class will be doing a chapel skit on May 10 @ 8:35. Mark your calendars and plan to come!

Please come this Saturday (April 29) to Family Fun Tidepooling at Fort Abercrombie Ram Site Beach (to the left of parking lot) from 9:30-11:30.

A note from Mrs. Winegeart: : 3rd and 4th grade missions: Our third and fourth graders did a excellent job completing their Terra Nova testing this week. We also had a super time tide-pooling. Thanks to all the parents who went with us!

A note from Mrs. Smith: The students have put in a very busy week of Terra Nova testing. Great work, students! Next Thursday is the National Day of Prayer, and we have been asked to sing our National Anthem at the event. Drivers are needed to transport the class at 11:45 to the Harbormaster office. Let me know if you can help. Students are working together on Decade Projects in history. They always enjoy seeing what they can discover of interest to share with the class about their assigned decade. It's a fun way to end our study of American history.

A note from Mr. Thomas: A busy week of testing has concluded. Thin Wood Walls continues to be engaging. Ask your student about the history being covered in this story. Have a great weekend.

Lifetouch Spring Portrait packages or payment needs to be returned to the office no later than Wednesday, May 3rd

KCS students and staff will be recognizing the National Day of Prayer with students from 2nd-8th grades praying for the “7 Area’s of Influence” set by the National Day of Prayer task force.
