A note from Mr. Steffensen: Blessings were delivered during this Wednesday's Chapel by Mr. David Prantner. He talked to us about the power of God's word. God spoke our entire universe into existence! God is so good! All the time! The KCS Spelling Bee was super exciting! When the dust cleared, Sara Scott was our champion and Emily Larson was our runner-up! Congratulations girls! Sara will be going to Anchorage to represent KCS at the Alaskan State Spelling Bee on March 3rd. You Go SARA! The winners of the "Through the Wardrobe Art Contest" were announced here at school. Ms. Stephanie Ann Foster presented Clair Harper with 1st place which was a \$100 award! Leah Winegeart, Sara Scott, and Micah Fields did amazing jobs to win Honorable Mentions!

Just to keep you thinking? "Can you possibly find and identify the misspelled word in this outstanding sentence?" Tell Mr. Steffensen the correct answer and earn a prize.

3 & 4 Year Preschool - A note from Mrs. Barnes & Mrs. Burlew: This week, in preschool, we have been having fun with our 5 senses focusing on sight and hearing. The children got to build snowmen both blindfolded and with their eyes open. They also got to play with some bubble wrap and look for ice crystals outside with a magnifying glass. Next week we will be moving on to the letter M, as well as, learning about how useful our senses of smell and taste are. We would like to put together a dress-up station in preschool. If any families have some dress-up costumes that you would like to get rid of, preschool would love to take them!

Kindergarten - A note from Mrs. Boudreau: We have covered the entire alphabet now! Also, another reading book is complete and should be coming home. I read Snowballs and Snowmen at Night to the class, so the children made collage snowmen on Wednesday. The life cycle of frogs and the water cycle were introduced since Christmas break. Counting by 2's and odd/even numbers are new, so we especially spent time doing activities around those concepts such as bunny hopping on the huge floor number line, circling numbers on the 100 chart, and marking individual number lines.

First & Second Grade - A note from Mrs. Prantner: Buzzing Bees will be competing in our very own spelling bee on Tuesday January 17 @ 1:45 in our classroom please come and support us if you are able. Students are also encouraged to dress in black and yellow/orange so that they can BEE ready for the bee. We enjoyed learning about being bold from the story of Elijah this week as he faced the prophets of Baal. God is so powerful! We even got to put our multiplication skills to the test as we figured out how much water was dumped on the altar before God performed His miracle.

Third & Fourth Grades - A note from Mrs. Winegeart: This week we completed our spelling bee mission with great success. Almost half the class was able to meet their reading goal for the week! Next week we look forward to a ½ day read-in for those that made their reading goal this week. Remember-mission Science Fair—next due date Monday January 16th!

Fifth & Sixth Grades - A note from Mrs. Smith: It has been a very busy week! Busy is good. Our class will be sharing a chapel skit next week. Come and see at 8:30 on Wednesday morning. I know the students would like that. We have been studying economies in history. They have been super excited to learn about these things. Ask your child about it. Science Fair Project: Research and Hypothesis are due on Monday. Have a blessed weekend.

Seventh & Eighth Grades - A note from Mr. Thomas: No news to report at this time

*Please use caution in the parking lot by using the parking lot procedures. It is dark in the mornings and we want everyone to arrive safely to school.
