Science Display Boards - On Sale in the Office - \$3.00 each

A note from Mr. Steffensen: What a Crazy Week we had! Spirit Week was filled with fun and excitement! Special thanks go out to all of the teachers and parents that worked so hard to make it all possible! Chapel was a blessing to everyone as Mr. David Bradbury shared with us a message about the kings of old. "We want of be like Josiah!" "He listened to God's word and his mother!" God is so good! All the time!

Just to keep you thinking? "How old was Josiah when he became king?" Tell Mr. Steffensen the correct answer and earn a prize.

3 & 4 Year Preschool - A note from Mrs. Barnes & Mrs. Burlew: Congratulations to all our "Minute-to-Win-it" winners! We had a fabulous time this week with Spirit Week and SpiritFest. Thank you to all the helpers. Next week we will be learning about Arctic Animals. Have a great weekend.

Kindergarten - A note from Mrs. Boudreau: A great week in Kindergarten! The children wrote a group story titled, "The 3 Snowmen," complete with illustrations. We have a new center for "choice time" called "inventions." If you have recyclables like egg cartons, TP rolls, cereal boxes, etc., please send them in for the invention center. The kids love it! We began learning Psalm 100 and will complete it in time to present when Kindergarten does Chapel on February 22. In Math we are learning about money \$\$ (penny, nickel, dime, quarter and dollar). Such fun this week! Our class especially enjoyed dressing up and the morning school-wide games!

First & Second Grade - A note from Mrs. Prantner: What a wild and wacky week! It was fun to see the kiddos being creative as they came to school in some great outfits. Thank you for all your extra help at home. We will be heading out on a field trip to Bayside Fire Station on **Wednesday, February 1**, to help continue our learning about how to be safe in our homes and in the community. Please send a booster seat to school with your child on Wednesday.

Third & Fourth Grades - A note from Mrs. Winegeart: We had a wonderful time during Spirit Week and SpiritFest! Enjoy your weekend.

Fifth & Sixth Grades - A note from Mrs. Smith: It's been a "crazy" week with lots of fun! Each day brought special surprises in dress and activities. Students are recording daily weather conditions in science and are "buying" stocks in history to see how the stock market works. Playing the game PIT helped them realize the noisy action on the "trading floor." GeoBees are next week: The classroom bee is scheduled for Tuesday. The All-School bee is scheduled for Thursday.
Science Fair Projects: Testing the Hypothesis by experiment (p.10-11) due on Monday, Jan. 30.

Seventh & Eighth Grades - A note from Mr. Thomas: Wow, it was great to read the student responses to the Lewis and Clark unit questions. There is lots of learning going on. I can't wait to read their journals. Just a note: I will be out Monday-Thursday next week to attend a conference. I will be available by email, or you can text me at [907-942-7163](tel:907-942-7163) if you have any questions. Don't forget that you can always check your 7th and 8th grade student's current grades on Jupiter.

*Please use caution and drive in the designated pattern at all times in the parking lot by using the parking lot procedures. It is dark in the mornings, and we want everyone to arrive safely to school.
