**Saturday, March 4<sup>th</sup>  
4:00p.m. to 7:30p.m.**

---

**A note from Mr. Steffensen:** Spring Break might be cancelled due to "Lack of interest," just kidding! I hope to see all of you at the Nifty Fifties Dinner on Saturday! Pastor Paul Winegeart blessed us with his visit during Wednesday's Chapel. He helped us better understand what the Bible means when it speaks of our "Freedom in Christ Jesus." God is so good! All the time!

Just to keep you thinking? "March comes in like a Lion and leaves like a what?" Tell Mr. Steffensen the correct answer and earn a prize.

**3 & 4 Year Preschool - A note from Mrs. Barnes & Mrs. Burlew:** This week preschool celebrated Dr. Seuss with some silly Seuss themed activities. Next week we will be cruising into a transportation theme with the letter T. I look forward to seeing my preschool families at conferences. God bless your weekend!

**Kindergarten - A note from Mrs. Boudreau:** For recitations on April 5, I read four choices to the class and the children voted for "Mr. Nobody." We are already working on the first stanza! The science theme this month is animals. We read about elephants this week and talked about mammals. The kids also made booklets about insects and their attributes. Discussions have focused on animal classifications and habitats. The end of the month (March 28<sup>th</sup>) we will visit the Wildlife Refuge Center.

**First & Second Grade - A note from Mrs. Prantner:** Science is fun! We enjoyed an egg exploration this week! We were able to identify main parts and examine them up close. Our class will continue to learn about animals in the weeks to come. Our study of Daniel has been exciting too. Next week, we will explore Daniel 5 and 6 and learn more about prayer. Congratulations to the super readers in our room! Our read-in was so exciting. Ask your child how many AR tests we took. See you at the Fifties Dinner on Saturday!

**Third & Fourth Grades - A note from Mrs. Winegart:** Third and Fourth grade missions this week  
1) Electricity—We are learning about static and current electricity. 2) In Bible this week we discussed growing in our relationships with God, journaling, and devotions. 3) We also had great fun with another classroom 4,000 miles away. We Skyped another 4<sup>th</sup> grade class in a mystery state and played twenty questions with them to guess locations! It was so exciting. I'm looking forward to seeing you all next week during conferences.

**Fifth & Sixth Grades - A note from Mrs. Smith:** Recitations have been chosen, and the students are already getting into the memorizing part. It is exciting to see them excited about their pieces. I am looking forward to visiting with you at conferences next week.

**Seventh & Eighth Grades - A note from Mr. Thomas:** Have a great weekend!
