***St. Mary's has invited KCS to their after school intramural program.**

The kids are learning Archery this month.

M-W-F 3:30 pm to 4:30 pm in the St. Mary's gym.

A note from Mr. Steffensen: No news to report at this time.

A note from Mrs. Barnes: We had an amazing week back from spring break! The children welcomed in spring this week with water color landscape paintings as well as playing hula hoop relay and making birthday cakes out of sand. Next week we will be planting vegetables for the letter V. God bless your weekend!

A note from Mrs. Boudreau: Our class had a great field trip yesterday looking at animal habitats and walking around the lake at Fort Abercrombie! A big thank you to Jill and Alan Skaw for driving and walking with us. We saw eagles, a beaver lodge, squirrel signs around a tree, a cormorant, a murre, deer scat, a fish through the lake ice and heard chickadees in the trees.

A big round of applause for the Harper family who donated a beautiful collection of dress up clothes to the classroom. The children have loved dressing up and pretending during afternoon "choice time."

A note from Mrs. Prantner: I have enjoyed hearing the students share their recitations this week; so much growth over spring break. Please continue to practice over the weekend. Remember we will have our recitations in the chapel @ 9:40 on Wednesday March 29. Hope to see you! Ask your child which creature they have chosen to research for our upcoming creature feature which will be on Monday April 3 @ 1:30.

A note from Mrs. Winegeart: 3rd and 4th grade missions this week 1) We are beginning a study on economics and will create a mini-society where we will use Bunny Money as currency 2) We are also learning lots about fractions 3) We had great fun with perspective and hot air balloons in art!

A note from Mrs. Smith: It has been an enjoyable week of learning.

The students have come back from spring break ready to go! We've begun new units in History (WWII) and in Science (Sound). Their excitement for both keeps us hopping! Writing dialogues using riddles from Laffy Taffy has proven to be fun and effective. Great work, Class. Keep the excitement for learning going.

A note from Mr. Thomas: No news to report at this time.

Classroom Recitations

Tuesday March 21, 2017

Hello Families!

We are excited about our upcoming recitation program and would like to invite you to come join us. Your love and support are so important and appreciated as students stand before their class to present. We know that many of you need to visit more than one classroom, so we have scheduled each class at staggered times.

There are a couple of quick but important reminders to pass along as well. 1) Please arrive 5 minutes early so that you find a seat before the program begins. 2) If you must come in late or leave early, please wait until a student is finished before going through the door. Entering and exiting while a student performs is quite distracting for the student and audience. Remember we will perform our classroom recitations **Wednesday March 29th**.

1st/ 2nd classroom	9:40-10:45 a.m.
3rd/4th classroom	10:55a.m.-12:00 p.m.
5th/6th classroom	12:55-2:00 p.m
7th/8th classroom	2:00-3:05 p.m.

We hope you can come!

Don't forget!

**Our All-School Recitation Program is
Wednesday April 5th at 1:00p.m.**
