***St. Mary's has invited KCS to their after school intramural program.
The kids are learning Archery this month.
M-W-F 3:30 pm to 4:30 pm in the St. Mary's gym.**

A note from Mr. Steffensen: The classroom recitations were outstanding! Congratulations to all of the students and families that worked so hard. Speaking well makes us all better able to serve God! During Wednesday's Chapel we were exceedingly blessed by Mr. David Bradbury. We learned why we don't want to be an "Ahab or a Jezebel" and why we do want to be an "Elijah"! Have an extraordinary weekend as we welcome in April! Don't put your snow shovel away yet??? God is good! All the time! Just to keep you thinking? "What awesome event do Christians celebrate this month?" Tell Mr. Steffensen the correct answer and earn a prize.

A note from Mrs. Barnes: No news to report at this time.

A note from Mrs. Boudreau: In science I have usually taught a plant unit in April, but with the way the low tides fall this year we will be doing a unit on the seashore in April instead. Then plants will be covered in May. Since the weather is colder this year this will work out well with a late spring anyway. So our class will go tide pooling on one of the last days of April after learning about tide pool and sea creatures.

Bob Foy (Katya's dad) is dissecting a shark and a squid at the Convention Center tomorrow, Saturday, at 10:00. If you can take your child, they will love it! The children have worked hard to learn the poem, "Mr. Nobody." We will recite Wednesday during school-wide recitations. We look forward to seeing you if you are able to attend.

A note from Mrs. Prantner: We enjoyed a week full of excitement and celebration! Thank you for sharing your recitations with the class. Congrats to our first and second place finishers who will be competing in the all school recitation on Wednesday April 5 @ 1:00 in the chapel: Alex Janz, Rhiannon Long, Alyce Prantner, and Dezirae Oullette. Remember our creature feature is on Monday April 3 @ 1:30 in our classroom. Please have your child complete their report and print pictures of their animal this weekend and also practice presenting. Please join us to learn more about God's animals, if you are able.

A note from Mrs. Winegart: 3rd and 4th Mission Recitation complete! All of our students did a wonderful job on Wednesday. We look forward to encouraging and supporting our classmates that will be presenting next Wednesday, April 5th in the All-school program. Our class will be on mission taking a field trip to the Ocean Science Center next Friday to learn about Otters as a keystone species. If you are interested in being a driver please let me know.

A note from Mrs. Smith: The classroom recitations were amazing! Each one had its own specialness. Terrific work, Students. Artwork went home for Original Works, a great way to display a KCS memory. Have a blessed weekend.

A note from Mr. Thomas: Class recitations went well. Have a great weekend.
