**A note from Mr. Steffensen:** Wow! The great weather has given everyone "Field Trip Fever!" Students have been walking, running, and riding to several locations around our wonder city! So much to see and learn and our time is growing shorter as the school year is slipping away! Never fear, we will be learning until the last minute of the last day! God is good! All the time! Thank you to our wonderful 1<sup>st</sup> and 2<sup>nd</sup> Graders for blessing all of the students, staff, and our visitors during Wednesday's Chapel time. Mrs. Prantner did a

superb job of coaching and preparing them to present their quick version of "The Good News", all the way from the beginning, a LONG, LONG, TIME AGO!" Some of their story will be valuable during next week's Bible Drills?

Just to keep you thinking? "How often is God good? Tell Mr. Steffensen the correct answer and earn a prize.

**A note from Mrs. Barnes:** We are looking forward to our Preschool graduation!

It will be held Monday, May 22nd at 11:00 am with a potluck right after.

We welcome all preschool families to join us in celebrating your wonderful students.

We would love to decorate for this fun event and so we are looking for helpers to assist.

Please see Mrs. Barnes if you are interested. Be watching for our sign up sheet for the potluck; many hands make a great potluck. Have a blessed weekend and Happy Mother's Day!

**A note from Mrs. Boudreau:** If you know anyone who might be interested in KCS kindergarten for next year, I am holding an **Open House** on Thursday from 4-7 p.m.

The Kindergarten **Graduation** ceremony and potluck lunch will be Monday, May 22, at 11:00 in the Kindergarten classroom. I will contact each family to coordinate the lunch. The kindergartners will be awarded their diplomas, academic awards, and character awards. Parents, grandparents, siblings, aunts, uncles, etc. are invited to celebrate with your kindergartner!

Well the school grounds and bike path are a little cleaner thanks to our kindergartners! We did a **trash pick-up** Thursday afternoon. As a follow-up Kindergarten will have a fieldtrip to Threshold Recycling on Thursday morning.

**A note from Mrs. Prantner:** Wow! I really enjoyed seeing so many of you being able to come and enjoy the chapel skit! The kiddos did a great job and the clients at Island Cove were blessed by us too! Your child has chosen an insect to research for our **Insect Feature** which will be presented on Friday May 19 @ 1:30. Your child has brought their Bible drill booklet home, please help them continue to practice in preparation for our **classroom Bible drill (May 16 @ 11:15)**. I have so enjoyed seeing their awesome Bible skills at work! Lastly, we are preparing for a **classroom AR Auction** which will take place on Tuesday May 23. **Could you help us? Spring cleaning? Do you have used toys, stuffed animals, books, stickers, baked goods, candies, posters, or pretty much anything you can picture a 1st or 2nd grader liking?** If so please donate the items to the box outside our classroom on or by May 23.

**A note from Mrs. Winegart:** : Third and Fourth grade had a great time this week learning about area and length in real world measurements. We've taken a look at the Industrial Revolution and the miraculous way God made plants. Please remember that next Monday at 11:15 will be class Bible Drills. Also, we will all need shoe boxes on Monday to create our BFG settings. If you have anything that would be great for our AR/Good things auction please send it our way by Friday May 19<sup>th</sup>.

**A note from Mrs. Smith:** It has been a great week! The informational books the students are reading and sharing have uncovered many surprising facts. We have been amazed numerous times this week! Their partner work on a particular decade (1940-2000) has them discovering what life was like "back then"—news, fashions, fads, inventions, etc— which has included some laughter as you can imagine. The circulatory system has led to many "aha" moments as science often does. Like I said, "It's been a great week!" Next week has many special happenings so be sure to read the newsletter in your child's Friday Folder. **HAPPY MOTHER'S DAY, MOMS!** Your children tell me all time how wonderful you are, and I believe them.

**A note from Mr. Thomas:** Have a good weekend.
