National Day of Prayer
was such a blessing!

A note from Mr. Steffensen: KCS LOVES THEIR TEACHERS! This week was Teacher Appreciation Week and every staff member felt the LOVE. Thank you KCS families and School Board for a Blessed Week! Thank you to Pastor Paul Winegeart for blessing all of us with a message during Wednesday's Chapel time. "We are to love everyone like we love our closest family members. That's not possible without Jesus." God is good! All the time! Is everyone practicing for the upcoming Bible Drills?

Just to keep you thinking? "Be devoted to one another in brotherly love. Honor one another above yourselves." What is the location of this verse in the Bible? Tell Mr. Steffensen the correct answer and earn a prize.

A note from Mrs. Barnes: This week we had a wonderful group of volunteers coming in to help us out in preschool. The children had fun building zoos, fishing for numbers and doing a scavenger hunt around the school. A special thanks to Mr. Thomas's 7th and 8th grade class, the children loved having you in our room! Thank you Leeann Graham, Becca Jones and Heather Foxworthy for coming in and sharing your time with us! Next week we will be learning about plants and finishing our week with a field trip to our local greenhouse. Have a great weekend and God bless you all!

A note from Mrs. Boudreau: We had the opportunity to visit Strawberryfields Greenhouse on Thursday and got our hands dirty with Mrs. Foy. Our Bible lessons this week was about Jesus raising Lazarus from the dead and other miracles. The kindergartners and I are adding jewels to a jar every time someone does something kind or helpful for one another. The Kindergarten Graduation ceremony and potluck lunch will be Monday, May 23, at 11:00 rather than on Tuesday. Thank you to all the KCS parents who made this week special for the teachers! We feel spoiled.

A note from Mrs. Prantner: 31 states and counting! Yay! We are still looking for postcards from the midwest and east coast especially. Our classroom is finishing strong, next week we will be starting insect and country units along with learning about the early church and focusing on Peter and Paul. Please mark your calendars, since our class will be doing a chapel skit on May 10 @ 8:35. We hope to see many visitors. Our class is also preparing for our classroom Bible drill (May 16 @ 11:15). Ask your child what a Bible drill is and quiz them to see how fast they can find some of our theme verses and books of the Bible. Lastly, we are preparing for a classroom AR Auction which will take place on Tuesday May 23. Could you help us? Do you have used toys, stuffed animals, books, stickers, baked goods, candies, posters, or pretty much anything you can picture a 1st or 2nd grader liking? If so please donate the items to the box outside our classroom on or by May 23.

A note from Mrs. Winegeart: : Have a great weekend.

A note from Mrs. Smith: Our class was blessed to be a blessing at the National Day of Prayer gathering in Kodiak where the students sang "The Star-Spangled Banner". Thank you to those who helped with driving! Please look at the weekly newsletter that I send home each week for important end-of-the-year dates. You are invited to join us for any or all of the happenings :). Have a blessed weekend.

A note from Mr. Thomas: Have a good weekend.
